

## **SWR Keralase Hair Tx Pre Post Instructions**

**BEFORE** Wash your hair with shampoo (*no conditioner!*) the night before the treatment. Hair must be clean and free of hair products at the time of treatment.

- Stay out of the sun and use sun protection (SPF sunblock or hat) as much as possible for a week before and after each treatment.

**AFTER** the treatment you may notice hairs in the telogen phase (resting phase) may shed due to the slight trauma from the laser. This is not unusual. Do not be alarmed if it occurs, Please notify your provider.

- Once the hair and scalp dry naturally, you can resume normal activities including hair products. Avoid washing hair for 24 hours after the treatment, if able.
- You may be asked to use minoxidil, Viviscal, KeraFactor™ Scalp Stimulating Solution, KeraFactor™ Scalp Stimulating Shampoo & Conditioner and other products as directed by your practitioner.
